

GLOBAL COINSHARES

| This document contains all the information about Global CoinShares |

Introduction:

Global CoinShares is a trusted fund focused on providing investment opportunities for investors. We work with a variety of clients and issuers, including bitcoin mining, Defi's, Nft's and metaverse companies.

With the global adoption of cryptocurrency our mission is to partner with top crypto companies around the world to provide investors with suitable investment opportunities. Our experienced team works closely with business partners to conduct extensive diligence.

While navigating the world of cryptocurrency can be daunting, our team at Global Coinshares is committed to leveraging our extensive network and industry insights to deliver exceptional client service.

We believe that Bitcoin and blockchain networks are landmark innovations that will fundamentally reshape the global financial system, and investors should be able to participate in this transformation.

Our Services:

Global CoinShares (GC) has specialized in cryptocurrencies since 2014 and has a presence in multiple jurisdictions, including Jersey, Stockholm, London, New York and El Salvador. Our mission is to expand access to the cryptocurrency ecosystem while serving as trusted partners for our investors.

We execute our trading strategies and provide liquidity and capital markets services across a wide range of counterparties, including traditional market venues, proprietary trading firms, cryptocurrency market and mining firms. We help our clients navigate the crypto market structure and provide a wide range of services that have been built leveraging our deep experience in commodities and quantitative strategies.
